Dear Brother and Sister  
Hoyd still keeps about the  
same except that his appetite  
is not as good and we can see that  
he looks thinner, does? Thursday  
we had to give him castor oil  
and his stomach has not seemed  
as well since, but the nurse  
thinks perhaps he will get so  
that he can take more with  
in a day or two, he has taken  
very little solid food for the  
last few weeks. Eugene came  
to see him yesterday and he  
seemed to be very glad to see  
him but could not visit with  
him very much. Roy and  
Bertie have been to Springfield to  
church today and after visiting  
Roy took Bertie to North Springfield  
today was a fine day.
